Ultimate Questions
John Blanchard

Description
A 32-page A5 illustrated booklet, which addresses the most vital questions of life: the existence of God, the nature of God, the nature of man and the ultimate purpose of life in the light of eternity.

A large section of the booklet discusses the problem of the human condition, and this will provoke the reader to think about the nature and origin of “sin”, the possibility of judgment and the reality of human responsibility.

Most importantly of all, the way to receive forgiveness and eternal life in Jesus Christ is explained clearly and concisely.
