Description

Aaron's heart is to restore the Word of God to the foundation of corporate worship, which led to Aaron and his wife Megan launching their worship school, 10,000 Fathers. Since then, many worship pastors from around the world have come through their home, gone through their training, and become part of their broader family.

Aaron has recently been to the UK to launch the first 10,000 Fathers School in England, as well as host and lead worship at the Mission Worship conference, where he has partnered and lead worship over the last 10 years.

Aaron is one of the great songwriters of our generation, writing songs such as 'Sovereign Over Us', 'Song Of Moses', and co-writing with some of the most well-known worship leaders of today. His new worship album Through It All is where resounding lyrical depth meets refreshing musical height as Spirit greets Truth in psalms, hymns, and spiritual songs. The album features co-writes with Bethel's Brian Johnson, Jesus Culture's Chris Quilala, Stuart Townend, Pete James, & Housefires' Pat Barrett. Songs from the album are already starting to be sung in Churches across the UK and the world, particularly 'King Forevermore' the co-write with Pete James.

Description

The Pink Room tells the story of Mien and other young girls who have been victimised in the unspeakably dark world of child sex slavery.

Mien grew up in Svay Pak, Cambodia, a small village notorious for one thing: the trafficking of children. At a young age Mien entered life in a brothel, and her virginity was sold for a high price. Held hostage and raped daily by eager paedophiles, Mien's sense of self-worth is diminished with each customer.

But this is not just a story about the problem. The Pink Room is an inspiring story of restoration as ordinary people become heroes, lives are mended and Cambodians rise up to take back their country.

In a world where it is estimated that over one million children are held captive and sexually abused, a flower blooms in the heart of Cambodia.

Additional 20 minutes of special features.

Description

How does war shape a man? The Vietnam conflict was long ago, but its impact lives on and the battles continue in the hearts and minds of the U.S. soldiers who were there. In the jungle heat, the sweat, and the blood they became men.

But today, over 40 years later, Vietnam is the land where these men become heroes.

Nominated for a regional Emmy® Award, By War & By God tells the traumatic, yet redeeming story of a small group of soldiers whose lives were forever shaped by war, but whose faith has led them back to Vietnam to love, serve, and care for the people of that beautiful land.

Through first-person interviews, archival war footage, and present-day on-location filming, the stories of these amazing "Vets with a Mission" exemplify the good that can come from a handful of lives that are touched By War & By God.

Description

Drawn from the backstories of four very different individuals, The Journey from Unbelief to Faith shows God at work in the world. Regardless of our troubled pasts, entrenched beliefs, wilful antagonisms, or pre-conceived notions, God can cut through our callous exteriors, making a shambles of the self-deluding facades we erect to keep Him out.

Hosted with opening comments by Rev. Dr. John Nunes, this four-session Bible study conveys in frank language the lives of individuals who traveled from the outer edge of unbelief and apathy to the Christ-centred faith they now devotedly embrace. That they made the journey at all is testament to the Holy Spirit's persistent work in their lives, transforming their alienation into acceptance—and belief.

DVD includes the 65-minute television version and a four-part Bible study with PDF guides and optional English subtitles.
