## Description

Martin Scorsese's Silence tells the story of two Christian missionaries (Andrew Garfield and Adam Driver) who face the ultimate test of faith when they travel to Japan in search of their missing mentor (Liam Neeson) — at a time when Christianity was outlawed and their presence forbidden. The celebrated director's 28-year journey to bring Shusaku Endo's 1966 acclaimed novel to life, examines the spiritual and religious question of God's silence in the face of human suffering.
