Description

A hard-driving journalist, Lee Strobel was exactly where he expected to be at work: on top. His award-winning investigative reporting recently earned him a promotion to legal editor at the Chicago Tribune. But things weren't going nearly as well at home where his wife Leslie's newfound faith in Christ went against everything Lee believed – or didn't believe – as an avowed atheist.

Utilising his journalistic and legal training, Lee begins a quest to debunk the claims of Christianity in order to save his crumbling marriage. Chasing down the biggest story of his career, Lee comes face-to-face with unexpected results that could change everything he knows to be true.

Based on Lee Strobel's award-winning bestselling book and starring Mike Vogel, Erika Christensen, Faye Dunaway, and Robert Forster, THE CASE FOR CHRIST is now showing in theaters. It's an ideal Easter-season movie for anyone who has ever pondered the existence of God ... and what role He could play in their lives.

The great drama of Martin Luther's life comes alive in this vivid portrayal of the penniless monk's quest for truth – a quest that would re-shape the church, and the world.

Description

A Man Named Martin – Part 3: The Movement completes the trilogy begun with Parts 1 and 2, The Man and The Moment. Here viewers will see how God was at work in the Reformation, in the lives of the men and women that shaped it, and in the societal transformations that resulted. Everything from education and government to marriage and vocation came under the influence of the Reformation. Here was a world in tumultuous flux: widespread cultural and religious tensions, heated theological controversies, bloody conflicts across the map – all marked a continent in turmoil. Beginning with Luther’s nailing of his 95 Theses to the church door at Wittenberg in 1517 to the Peace of Westphalia, a treaty that capped the Thirty Years’ War in 1648, the Reformation launched by Luther produced enormous changes in Europe – changes that eventually swept across the Atlantic, influencing our nation as well.

DVD includes both the 74-minute version and a five-part Bible study version and optional English subtitles.

Choir Master Extraordinaire, Ricky Dillard RETURNS!!!

Incorporating his signature grandiose approach, plus adding the right amount of empowerment, this brand new album "TEN" will instantly cement its spot as a must have classic, for your library. Numerically, "TEN" represents divine order and harmony. This album is perfectly balanced and expresses just that. The choral anthem stylings of the opening track, "Doxology", by definition and declaration, sets the tone and atmosphere that great high praise is about to take place. The choir ushers us through a worship experience that continues throughout the album to the last note, of the last song "Weather The Storm". Gospel royalty rounds out the nce of this body of work with features that include Karen Clark Sheard, BeBe Winans, Tina Campbell, LeAndria Johnson & more. The harmonies of New Generation, also affectionately known as New G, and formally The New Generation Chorale, under the famed leader and founder, Ricky Dillard delivers a sound that could only come forth from his Choral direction, with the presence of Christ, the divine. "I Survived It", the lead single resonates with anyone that has faced and overcome adversity. Dillard's chant of survival is familiar, because it's reminiscent of a story that we all share, and conveys a testimony of being more than a conqueror. From beginning to end, listeners, audiences and the church, though at times discouraged, distressed or disappointed...with every note is given everything to encourage the champion within. After defying and defeating all odds, "TEN" is the reminder that endurance always leads to victory.

The Academy is where budding angels learn about performing good deeds and grow their wings.

The Littlest Angel resolves to go an adventure with Halo (Ed Kelly), his talking dog, to reclaim his most prized possession.
